The Power of a Purposeful Partnership

MHRRG – A TRUSTED PARTNER INVESTED IN YOUR BEST INTEREST

A LOOK BACK ON OUR PAST 39 YEARS

Over the past 39 years, the Mental Health Risk Retention Group's dedication to fostering successful, lasting partnerships has cemented its reputation as a unique and essential player in the behavioral healthcare industry.

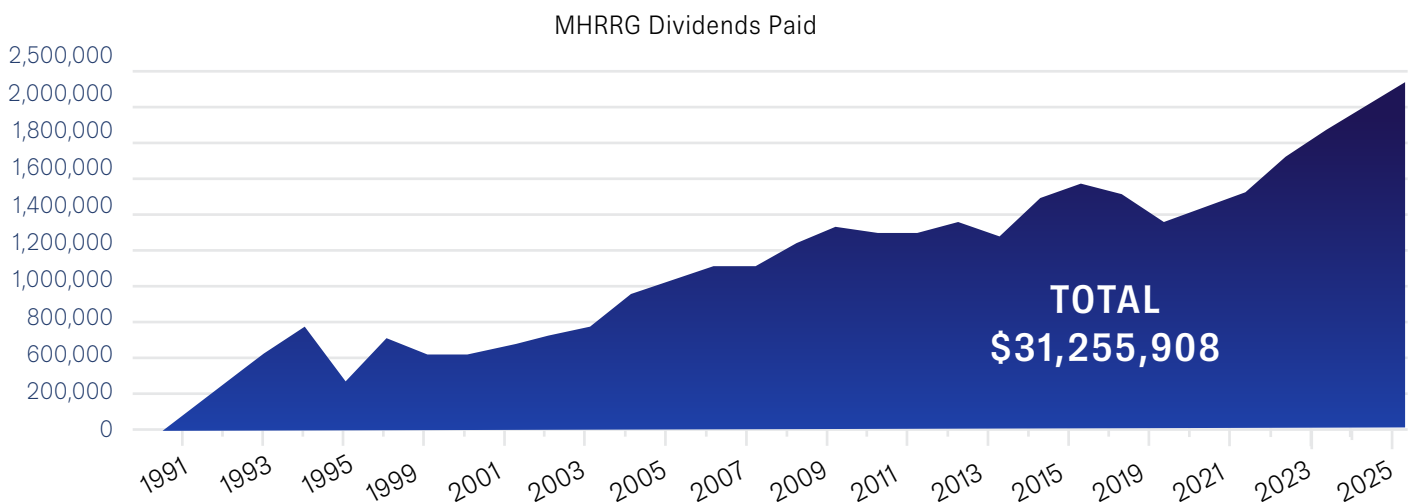

MHRRG is not just an insurance company; it's an outstanding business partner with an excellent reputation for standing by its insured members. Established and governed by leaders in the behavioral health and addiction services field, MHRRG was developed to evolve with the ever-changing needs of the behavioral healthcare industry.

MHRRG is genuinely invested in its member policyholders, delivering on that commitment through annual policyholder dividends and other value-added benefits. The relationship between MHRRG and its insureds, along with the underwriting managers at Negley Associates, is highly personal and interactive, built on a foundation of trust.

GIVING BACK TO OUR INSURED

At MHRRG, we value our partners deeply and demonstrate this commitment by giving back through annual policyholder dividends.

CONSECUTIVE DIVIDENDS BY YEAR

SHAPING TOMORROW TOGETHER

A cornerstone of MHRRG's service is the Individualized Risk Management Program (IRMP), an invaluable resource tool for the operations management of its insureds. This program objectively reviews specific insured operations and provides tools for integration and success.

- + Insureds have participated in over 2500 hours of risk management training.
- + Over 4,450 attendees have completed our complimentary IRMP program.
- + 96% of program participants learned something valuable that they seek to incorporate in their practice.
- + There is a dedicated risk management program for CCBHCs.
